The Ugly Truth: Bankruptcy, Defaults & Foreclosures

Please join us for the next ICSC Atlanta Next Generation program to learn more about the current state of the economy, as seen through the eyes of retailers and landlords. Each of these acclaimed speakers represents a different facet of the retail industry and possesses significant experience working through bankruptcies, defaults and foreclosures. The panelists will provide useful insight and a better understanding of how these are handled, as well as how they affect the viability of an asset. Questions from the attendees will also be answered.

Don't miss this ICSC educational, networking, and mentoring program specifically designed for retail real estate professionals who are seeking to develop or recharge their careers and build relationships in the shopping center industry. The Next Generation program offers a unique opportunity to meet and interact with peers, share experiences, and exchange ideas. Next Generation events also welcome seasoned professionals who wish to give back to the industry by becoming a mentor. ICSC members and non-members are welcome to attend.
